

FAMILY SPONSORSHIP FORM

Studio B is a non-profit community theater in Highland Village bringing the local community a unique opportunity to experience local theater in the area. Studio B also offers classes and workshops for all ages. We strive to encourage participation in theater, music, dance, and arts and stimulate creativity, imagination, and self-esteem. Studio B produces around 12 productions a year appropriate for children and adults. Each production can cost upwards of \$5,000. In order to help off-set these costs, we have the following sponsorship opportunities available for the families who call Studio B home and would like to give! We greatly appreciate your support!
